SUPPLEMENT TO
REPORT NO.

THIS IS UNEVALUATED INFORMATION

50X1-HUM

1. The headquarters of the 45 Infantry Division which comprises three infantry regiments and one artillery regiment, is at Leskovac. One of these regiments is stationed at Leskovac together with the regimental command. The second or 163 Regiment is at Pirot, and the third infantry regiment is part at Vlasotinci, and part at Grdelica. The artillery regiment is at Vlasotinci.
2. The 163 Infantry Regiment comprises three infantry and one artillery battalion. The latter is composed of two batteries of 7.62 and 4.5 guns largely of the Soviet model. Maneuvers are usually carried out toward Caribrod. The regimental command comprises the following units:
 - a. Mortar company with Soviet 82 mm. caliber mortars;
 - b. Rifle platoon with Soviet 14.5 rifles;
 - c. Communications platoon;
 - d. Machine gun company, with German model machine guns;
 - e. Transportation company with two automobiles and five Praha trucks; and
 - f. Chemical warfare platoon.

3. The headquarters of the 51 Infantry Division is at Osijek. The 49 Rifle Regiment stationed at Vinkovci is under the jurisdiction of this division. 50X1-HUM
The 49 Rifle Regiment [] is commanded by a certain Lt. Col. Mihalic. The political commissar is a certain Captain Curic. The regiment comprises three or four battalions and one artillery unit or battalion which is composed of three batteries. A single battery of the artillery unit or battalion is equipped with Soviet 7.62 mm. guns, anti-tank cannons of 4.5 mm. caliber, and 120 and 82 mm. caliber mortars. The following units are attached to the command of the 49 Rifle Regiment:
